2026 Data Standards

2026 Data Standards updates

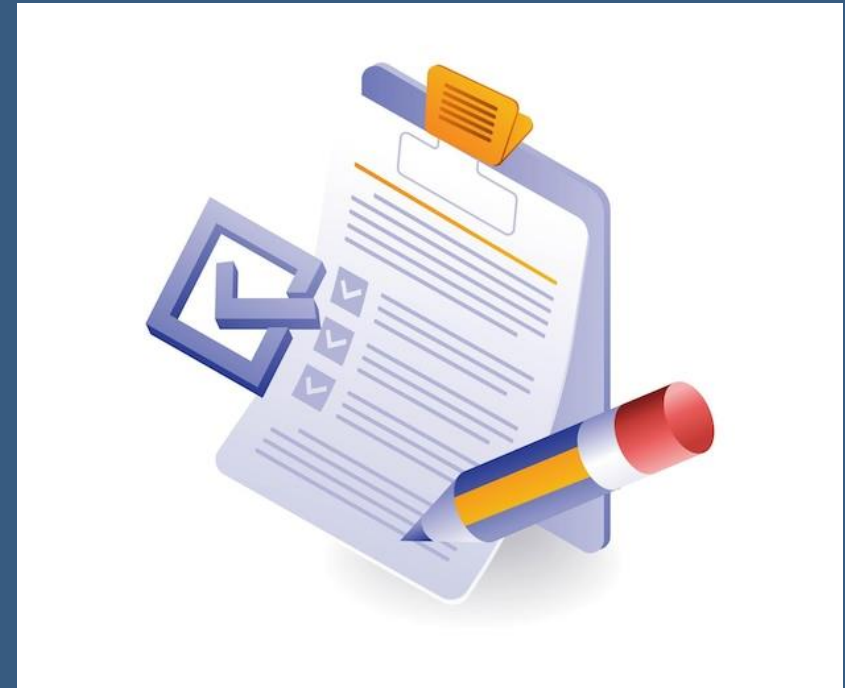

→ What are Data Standards?

- Data Standards specify what data the federal government requires a community's HMIS to collect
- Released by HUD every 2 years

→ HUD has provided list of changes for the cycle*

- *Note that HUD has not yet published the final version of the 2026 Data Standards
- Plan for changes to go live on October 1

→ Community decisions impact how these changes will appear in each system
